Fast draw, also known as quick draw, is the ability to quickly draw a handgun and accurately fire it upon a target in the process. This skill was made popular by romanticized depictions of gunslingers in the Western genre, which in turn were inspired by famous historical gunfights in the American Old West.. In modern times, fast draw can be seen both in sports and in military practices.

The Wild West wasn't called wild for nothing. It was a dangerous place. It had dangerous animals like bears and snakes to contend with. There were harsh winters and rough country to traverse. There was also a war raging between the Native Americans and the settlers. The West was seen in the 1800s as an undiscovered country, devoid of human habitation and ripe for settlement.

On June 17, 1872, the first business (George M. Hoover's and John McDonald's) to locate on the site five-miles west of the Ft. Dodge military reservation opened as a bar in a tent. This was in response to the prohibition of liquor at Fort Dodge. Other businesses soon followed and the Town Company completed its formal organization as 'Buffalo City' on August 15, 1872.
