**The installation instructions are so difficult to understand and poor/basic. No youtube video or manual hat will guide you step by step. I installed it by 2 alarm car professionals, it worked for a couple of days and then it didnt turn on again, VIPER WILL NOT RESPOND TO ANY WARRANTY under this intallation method without an authorize dealer, so dont by throught amazon.com. I lost my money and ...**

**Unlike the Viper 5906V, it is not colored. However, it displays the temperature inside your car instead of the time which can be a handy function if you want to pre-heat your car before going in. Verdict. If you are on a budget, the Viper 5706 V is a much better alternative to the Viper 5906V. Not only does the Viper 5706V give**
